

2025 ANNUAL REPORT

CHRIST EPISCOPAL CHURCH
EPISCOPAL DIOCESE OF SAN DIEGO

AGENDA

I. Opening Prayer

The Rev Michael Foley

Almighty and everliving God, source of all wisdom and understanding, be present with those who take counsel in this annual parish meeting for the renewal and mission of your Church. Teach us in all things to seek first your honor and glory. Guide us to perceive what is right, and grant us both the courage to pursue it and the grace to accomplish it; through Jesus Christ our Lord. *Amen.*

II. Call to Order

III. Approval of Minutes of 2025 Annual Parish Meeting

IV. Priest in Charge Report and Remarks

The Rev Michael Foley

V. Wardens Reports

Pat Escher & Rodney Ward

VI. Children & Youth, Chaplain

Leighton Jones

VII. Christ Church Treasurer's Report & 2026 Budget Presentation

Julie Young

VIII. CCDS Treasurer's 2025 Report

Keith Fargo

IX. Introduction & Election of Vestry Candidates

David Holt

X. Delegates to EDSO Annual Convention

XI. Other Ministry Reports

XII. Closing Prayer

The Rev Michael Foley

Almighty God, who has promised to hear the prayers of those who ask in your Son's Name: We seek you mercifully to incline your ear to us who have made our prayers and supplications to you; and grant those things which we have faithfully asked according to your will, may be obtained for our relief and to your glory; through Jesus Christ our Lord. *Amen.*

2025 PAROCHIAL STATISTICS

Number of Sunday Eucharistic Services	101	<u>Necrology</u>
Average Sunday Attendance	87	Pamela Adams
Baptisms	2	Mark DeMichele
Confirmations	4	Henry Bailey
Reaffirmations	1	Joseph Pisonneault
Burials	5	Robert Koop
Eucharistic Visitations	31	

RECTOR'S REPORT: The Rev. Michael Foley

At the invitation to serve as Interim Priest in Charge at Christ Episcopal Church beginning in February of 2025, there was a confluence of emotions. The negotiations with the former rector, feelings emanating from various alliances, questions, and held beliefs, the longing for reconciliation or peace with others for whom in-person reconciliation was improbable, and the longing for renewal of worship were central to beginning the restoration of the shared life at Christ Church in service to one another and the world. It is an honor to partner in this transition as Interim Priest in Charge and help the Vestry and People consider what needs attention to prepare Christ Church to call its next rector.

The ground has been fertile for a measure of healing, a restoration of wholeness, and a return to the Way of offering our praise to God with our hands and hearts in ministry.

To nourish Christ Church, themes of healing and personal devotion, and models for vulnerability, have been centered in our weekly worship that led to the Advent preaching series on healing across four levels: with self, those closest to us, our church and community, and the world. The Litany of Healing was added to three Sundays in Advent and the people responded to the prayers, the laying on of hands, and anointing, to proclaim the work of the Holy Spirit to form and transform.

The parish responded to the question, “What does healing look like at Christ Church” at the all-parish gathering on Advent II. What emerged is a profound commitment to respect one another, especially when there is difference. Viable hope was expressed for people to come together to serve the mission of the Church, not denying the past, but acknowledging the present in that mutual and intentional respect. The opportunity for vulnerability, critical to reconciliation, was safely modeled in table conversations.

The various ministries of Christ Church continue to feed its life and vitality. The ministry of the baptized, aka, the ministry of all people, drives the mission of the Church in the 21st century. The lay-led ministries of Christ Church (reflected in the reports that follow) demonstrate the abundant activities and promise for the vitality of this parish. All ministries require periodic review of leadership and committee resources. To this end, Christ Church after the recent period of internal tensions is taking the opportunity to look at what resources, human and financial, are needed to fulfill its ministries. Rather than defaulting to how it has been done before, the coming years invite analysis of the priority of each ministry, its leadership, and strategies for committee expansion. Partnerships with all of Christ Church’s people and others in the community need engagement. Everyone in this community needs to hear about the Good News that Christ Church expresses uniquely: its agape love for one another and service to the community and world.

The current ministries of Christ Church reflect the mission as stated in the bylaws: “As a welcoming community we seek to: Care for each other and serve the larger community; Provide lifelong opportunities to grow in the knowledge and love of the Lord; Proclaim the love of Christ for all.”

My personal thanks to the lay leaders and all who serve here at Christ Church.

This year operations in the office have faithfully supported these ministries. Javier Gomez, Pam Bumbasi, and Grace Boulard give their all to coordinate and deliver the systems that allow for events, pastoral care, human resources, facility maintenance and communications. After many years, the operations of the church are under internal review to increase clarity and efficiency. This will be supportive and fruitful and likely will ask for volunteers to help in future operations.

The re-establishment of the Music Director position has restored the beauty of worship on Sundays. Spencer brings a wealth of experience and passion to his position. His leadership with the choir brought a service of Evensong to Christ Church after many years, and future special services are planned for 2026. In 2026, further expansion of the choir is anticipated through the addition of a choral scholar.

At a parent meeting in early summer, the need for a leader in the formation of children and youth, and for a school chaplain was clearly needed. The Vestry and School Board approved the position of a Children and Youth Minister and School Chaplain to be funded at the end of summer. In September, Christ Church welcomed Leighton Jones. She has successfully restored Godly Play on Sundays, and Spiritual Nurture to the CCDS students. She also led well-prepared Confirmation classes for four teens over the Fall. Youth as lectors and acolytes (organized by Dewitt Jones) reflects spiritual formation under Leighton’s leadership. Parents are already engaged in supporting the children and youth ministries already. The children and youth will continue to participate in the broader life of the church throughout the coming year.

Lastly, Christ Church is “coming back” to what are its strengths, and also to its possibilities. Any period of transition has its challenges. Understanding the present time as a holy time to grow in understanding and hear the call to serve transforms individuals and all the people in their Baptismal ministry. Everyone is called to worship and serve.

Explicit formation opportunities continue through Daughters of the King, the Men’s Bible study, forums and personal devotion. Future offerings are planned to address Episcopal Identity (What makes us who we are?), present social justice in line with the stated mission, and engage the arts and study to enhance our devotions.

Remember how the people of Judah were taken into captivity in Babylonia? God never forsake them. God’s promise to restore them took time and through the change of their heart. From the book of the prophet Jeremiah we recall, “*For I know the plans I have for you, plans to prosper you and not to harm you, plans to give you hope and a future.*” These words both comfort and also infer the challenges engaged to move through a transition. Thank you for engaging the mission of Christ Church in service to our Savior, Who ever walks with each and all of us to build his kingdom of reconciling and healing light in the promise of God’s plans.

In Christ,
The Rev. Michael Foley

SENIOR WARDEN REPORT: Pat Escher

2025 has been a year of healing and renewal at Christ Church. We have been blessed with the presence and leadership of Fr Michael Foley as our interim priest in charge. His deep spirituality and concern for the well-being of each member of the church has lifted our spirits and encouraged us to redouble our efforts to seek and serve Christ in each other and in the broader community.

Renewing and strengthening our relationships was an early point of focus. We held community dinners for families and get-togethers for adults that were well attended. The Vida Joven Fiesta in May allowed us to enjoy each other's company while raising money in support of the orphanages in Tijuana run by the Vida Joven Foundation. We hosted a "Friendsgiving" dinner in November, and receptions after the Lessons and Carols service and Christmas Eve.

Healing from past disruption was the focal point of Advent, with a powerful series of sermons by Fr Michael and a parish forum that created a safe environment in which parishioners could express their concerns and their hopes for the future.

By summer, we were ready to begin the process of discerning who would be our next rector. An outstanding discernment committee is leading us through the process. The parish participated widely and actively in surveys and discussion groups. We gathered a wealth of information that will help us understand who and where we are, where we want to go, and what skills and attributes we seek in the person who will lead us.

We found renewal in welcoming Leighton Jones to serve as chaplain to CCDS and the director of youth formation. Sunday School and youth groups are beginning again, and four youth were prepared for confirmation this fall. And we redoubled our efforts to serve the community at large, not just through fundraising, but also through education and advocacy on environmental and immigration issues.

Serving as senior warden has allowed me to get a global view of our congregation – and the view is amazing! I am so proud to be part of a church whose members exemplify Christ's admonition to love God and to love our neighbors. You shine God's light into the world.

With love and gratitude,
Pat Escher
Senior Warden

JUNIOR WARDEN REPORT: Rodney Ward

In review of 2025, I am deeply honored to serve as your Junior Warden on this vestry of people that I respect and love. I believe we, as a congregation, have all been blessed by the presence and ministry of Fr Michael and for his leadership to foster healing and growth in spirit for all of us.

I also look back at 2025 with gratitude that we have accomplished so much. I am grateful for all of our staff and our ministry leaders that we rely on to organize and execute all the activities of our

wonderful church. This creates our opportunities to get involved and volunteer for all of us and in the community. I encourage anyone who has never led a ministry and feels called to consider stepping up for a leadership role.

We have new members in our congregation, and I am encouraged by their arrival. I encourage all of us to invite and bring our friends, neighbors and guests to Christ Church services and events. I believe here at Christ Church we have much to offer in love and spirit to the community and pray that we can be present and aware of opportunities to welcome people.

With love and gratitude,
Rodney Ward
Junior Warden

TREASURER REPORT: Julie Young

I am excited to report that Christ Church had a great year financially. We soundly rebounded from 2024 and continue to strengthen financially. Particular thanks to all parishioners who stepped up with pledge and plate donations. In addition, the thrift shop is to be commended for providing \$18,000 in donations plus \$24,000 in rent. Special thanks to the school for their partnership. Lastly, Father Michael for his leadership, to Glover Ferguson who is invaluable as assistant treasurer and for the vestry and staff who are good stewards of our resources.

2025 Financial Results

For the year ending December 2025, total operating income was \$653,334 exceeding budget by \$56,643. All categories of income were equal or greater than budget. Pledge receipts were \$341,397, exceeding budget by \$21,000. Plate donations exceeded the \$50,000 budget by \$14,000.

Total operating expenses equaled \$791,915 which is 103% of the annual budget. Bookkeeping services, custodian and utility expenses were over budget. In addition, the youth minister position was added in September; however, that position is fully offset by a thrift shop gift.

Net operating income was better than budget by \$30,000; a negative \$138,581 compared to the budgeted net income of negative \$168,620. These figures do not include the budgeted 5% investment payout of \$119,535. In addition, Christ Church received a payout from the Irwin Trust of \$12,893 more than budgeted. Factoring in the investment payout and Irwin Trust extra distribution, the church is negative \$6,153 compared to budgeted negative \$49,085.

Christ Church has a very healthy balance sheet. Total assets equal \$4.8 million; an increase of \$341,156 over 2024. This increase is largely due to a growth in investments and the receipt of \$150,000 in bequests. (Investment income and \$135,000 of the bequests are not included in operating revenue).

Total liabilities equal \$63,020, virtually unchanged from prior year. \$39,367 of this total is 2026 pledge income that was received in 2025. The balance is for accrued vacation and a \$6,000 grant that is payable to the school.

Included in the equity portion of the balance sheet is a 2.4 million endowment plus savings; payout from which is available to support the operating budget. In addition, we hold \$420,957 that has been restricted for specific purposes

Please note that the 2025 financials are unaudited.

2026 Budget

The vestry has approved a budget of \$859,200 for 2026 (see attached table). Operating income is budgeted at \$714,056. This includes a pledge budget of \$363,336; a 43 thousand dollar increase from last year's budget. Operating income will be supplemented by taking a 5% payout from our endowment and unrestricted reserves and 6% from the Irwin Trust. The resulting balance is a small surplus of \$2,680.

Personnel expenses are projected to increase by \$42 thousand from 2025. This results from the addition of the youth minister, cost of living adjustments for staff, health insurance increases and the addition of choral scholars. Non personnel cost increases are largely due to a change in the accounting of property expenses shared by the school. Whereas in the past, certain expenses were not included as an expense or as a reimbursement from the school, they will be on a going forward basis.

2025 Financials and 2026 Budget Summary

	2025		2026
Income	Budget	Actuals	Budget
Pledges	\$320,000	\$341,397	\$363,336
Other income	\$276,691	\$311,937	\$350,721
Total Income	\$596,691	\$653,334	\$714,056
Expenses			
Personnel	\$463,406	\$491,374	\$533,605
Non-Personnel	\$301,905	\$300,541	\$325,595
Total Expenses	\$765,311	\$791,915	\$859,200
Ordinary Income/Loss	(\$168,620)	(\$138,581)	(\$145,143)
Payout	\$119,535	\$132,428	\$147,823
Surplus/Deficit After Payout	(\$49,085)	(\$6,153)	\$2,680

Respectfully submitted,
Julie Young

VESTRY NOMINATING COMMITTEE: David Holt

The Vestry Nominating Committee began meeting in mid-October 2025 to find and nominate four candidates for the 2026 vestry.

Outgoing vestry members:

David Holt

Bob Ketts

Yvonne Rowe*

Suzanne Warren

Vestry Nominating Committee Members:

Bob Ketts

Bryn Reina

Karen Laedlein

Ellenjoy Weber

David Holt (chair)

Nominees:

Betsy McKee

Tony Reina

Susan Hanson

Samantha Hartsell

The four nominees will be proposed for approval at the January 25, 2026, business meeting.

David Holt, VNC Chair

Note: A resignation in 2025 made for four open positions.

*served through June, 2025

2026 Vestry Nominees

**Susan
Hansen**

**Samantha
Hartsell**

**Betsy
McKee**

**Tony
Reina**

Susan Hansen ~ I have been an Episcopalian my entire life, starting with singing in the children and junior choir and attending the day school at St. James Church in Newport Beach, CA. I have attended churches from Hawaii to the east coast to Stockholm, Sweden, where my husband, Robert, was the Naval Attache at the U.S. Embassy. As many of us know “home is where the Navy sends you”. After his death in 2013 Christ Church became my sanctuary, where I found the support to get me through that very difficult time of adjustment.

While I don’t bring any specific talents to the job, as a Navy wife I have learned to change and deal with many challenges, while raising two children and keeping a household afloat and moving it periodically. If chosen I will do my best to help guide Christ Church through the ongoing changes that are best for the church and our church family.

Samantha Hartsell ~ Dear Fellow Parishioners, I am beyond humbled to be considered for the Vestry. Christ Church holds a special place in my heart and has always been a lifelong anchor for me. I was actually baptized at Christ Church and then lucky enough to spend the majority of my childhood in Coronado once my father retired. I then had the joy to attend Christ Church Day School through 6th grade and graduated from CHS and then UC Berkeley. After Cal, I started my career as a Federal Contracts Manager. While supporting the Marines in Guam, I met my husband and followed him to Minnesota where we got married and started our family. Grace and Hannah were born out there and then followed in the time honored military brat tradition of multiple moves and schools including being overseas for 3 years in the UAE.

We moved back to the U.S. in 2021 and HOME to Coronado YAY! My heart was overjoyed to not only return to Christ Church but be able to enroll both girls in CCDS. Grace is now in 6th grade and ecstatic to have the opportunity to attend the new Middle School thru 8th, and Hannah is now a “big girl” in the upstairs!! 3rd grade classroom. You may see both girls acolyting or trying to sneak an extra donut (or three) on Sundays.

Since returning to the Christ Church family, I’ve been involved with the school as a Room Rep and Committee Chair of the school garden where for a few years we’ve grown veggies to provide soups and salads for a Wonder Wednesday night. I’ve also been active on the Altar Guild, substituted in the Parish office, and been involved in Youth Formation leading the Godly Play stories and chaperoning the youth

retreats to Camp Stevens. I also stay busy working for NAVWAR, serving on the Board at CYC, periodically coaching the CHS Sailing team, and chauffeuring my girls to various lacrosse games and dance performances.

I mentioned Christ Church has always been an anchor for me- no matter where we have lived in the world, my formative memories of the church and school have always brought me comfort. Today, I look around the church grounds and every place holds a memory- the flagpole where I said the pledge of allegiance, the sacristy where I learned to acolyte, Hinde Hall and spaghetti dinners, and the Memorial Garden where my father's ashes now rest. Even better than these memories are watching my children create their own memories of this special church and school. I'd love to serve the church as we search for a Rector who will lead us in the next steps of our church's future and support the continuing expansion of the Day School's fledgling Middle School and overall help ensure my girls and others have the same opportunity to grow in love here and feel that no matter where they end up in their lives or in the world that they have a home at Christ Church as I do.

Betsy McKee ~ My husband Russ and I first attended Christ Church Coronado in January 2008, at the suggestion of a friend, who was aware that we were looking for a new place of worship. That turned out to be a most fortunate recommendation, and we instantly felt welcomed.

I initially became active in several ministries, including Service and Hospitality committees, followed by three years of service to the Vestry and finally the Search Committee, following Rev. Anne Bridgers' time here.

Since then, Russ and I have been blessed with five wonderful grandchildren ranging in age from nineteen months to seven years, who have kept us very busy in the best of ways.

I was recently asked by a current member of the Vestry's nominating committee to consider serving another term, beginning in January 2026. My first inclination was to say "no, I'm sorry"....but after a second thought, and some reflection, I decided to say yes. I am honored to be considered during this period of transition, and have much hope for the future of our beloved Christ Church.

Tony Reina ~ He has been a member of Christ Church with his wife Bryn and 2 adult children, C-J and Peter, since 2011. In the past he has served as Junior Warden, Day School board member, and Property Committee member. He's also an adult volunteer for the Youth Group.

DELEGATES to Annual convention 2025

Clergy Delegate –

Fr. Michael Foley

Lay Delegates -

Dr. Anna Helgeson

Jaimie Glorieux

Carlin Glorieux

Alternate –

Carla Fargo

MINISTRIES OF THE PARISH

ACOLYTE: Dewitt Jones

At the beginning of 2025, the Acolyte Ministry included five active acolytes. After Dewitt Jones began serving as Acolyte Leader on September 7, the ministry grew to ten active acolytes by year's end, representing a 100% increase in four months.

Training and support focus on clear instruction in liturgical roles, vesting, altar etiquette, and the spiritual meaning of acolyte service, with ongoing in-service guidance provided throughout the year.

The parish extends sincere thanks to Anna Helgeson for her faithful service as interim acolyte leader earlier in the year. The ministry enters 2026 with a strong foundation and growing team. Our goal for this year is to extend our active acolyte team to 16.

Blessings,
Dewitt

ALTAR GUILD: Anna Helgeson

The Altar Guild continues to be mostly a "behind the scenes" ministry. I say mostly because while we are in the church preparing for every Sunday service of the Church year, the weekly Tuesday CCDS Eucharists, plus all weddings and funerals and extra Holy days as occur around the Christmas and Easter seasons, we have the opportunity to invite the rest of the congregation to join us in decorating the church and celebrating with us. It is a very prayerful but joyful ministry, and our small group of women--3 full-time (myself, Sudi Warren, and Kate Griffin) and 4 part-time participants(Susy Patterson, Darcy Lohmann, Schamber Ward-Richardson, Susan Warmbrodt) have managed to maintain our enthusiasm as we wash and iron weekly service linens, buff silver and brass, oil candles, post hymns, and have fulfilled our purpose to make God's Table and all its linens, hangings, and sacred vessels as perfect as possible. In spite of the fact that some of our Altar Linens are about 80 years old, they are treated so prayerfully and gently that none have needed to be retired. Vestments have been repaired and acolyte robes have been washed and ironed.

We have avoided the heavy costs of acquiring new vestments thus far and anticipate finding a less expensive resource (local) for repair of some of our others that are showing their age.

The flower ministry also comes under our umbrella of responsibility and we work closely with a wonderful florist to make sure that each service the generous flower arrangements have liturgically correct colors, no allergenic pollens or strong smells, and are a perfect example of God's magnificently beautiful world. Your donations are welcome since this is a significant cost to the Church. Take advantage of the link in Grace Notes, or call the Church office.

The Altar Guild has worked very hard to provide an environment that supports our priest and you, our fellow parishioners. We will continue to do our best and do it lovingly. Anyone interested in joining our small but loyal group is welcome to contact me, Anna Helgeson. Please call or text (619) 990-7075.

It has been and continues to be an honor to serve as Altar Guild Chair,

Respectfully,
Anna Helgeson

CHRIST CHURCH DAY SCHOOL: Payton Hobbs and Tom Murray

Christ Church Day School continues to thrive as a joyful and abundant ministry of the parish, marked by growth, innovation, and deep community connection. The 2025–2026 school year brings an exciting milestone with the addition of eighth grade, completing our middle school program and expanding opportunities for leadership, academic challenge, and spiritual formation for our students.

Enrollment remains strong, with a total of 128 students currently enrolled and additional students continuing to join us throughout the year. This steady growth reflects both the strength of our program and the trust placed in us by families seeking a nurturing, inclusive, Episcopal learning environment.

Our middle school offerings have expanded with the introduction of new electives designed to spark curiosity, creativity, and real-world skills. These courses complement a rigorous core curriculum while allowing students to explore their interests more deeply. We are also grateful to welcome four outstanding new faculty members this year—Sophia Nickles, Mackenze Tezak, Leighton Jones, and Fiona Diskin—whose expertise, enthusiasm, and commitment to students have already enriched our classrooms and community.

Christ Church Day School remains fiscally responsible, operating with a balanced budget that reflects thoughtful stewardship and long-term sustainability. Our income/expense report for the 2024-2025 school year shows we were able to achieve a balanced budget with a small draw from our investment reserves. We project that we will continue to maintain our current balanced budget for the 2025-2026 school year without having to rely on our investment funds. The School's financial report reflects all auditor required adjustments from the Church's 2024 Annual Audit.

Guided by a theme of abundance, we celebrate the many blessings that surround us: dedicated faculty and staff, wonderful students, supportive families, and a parish partnership that strengthens our mission.

Together, we are a flourishing school community grounded in faith, gratitude, and joy.

Christ Church Children & Youth Ministry

2025 Ministry Report

I officially began serving at Christ Church on September 7, 2025. These first months have been a joyful time of listening, learning, and walking alongside the children and youth as we strengthened rhythms of formation, worship, and community.

Ministry Life

Throughout the fall and early winter, Youth Group (6th-12th grades) gatherings were held twice a month, creating consistent space for middle and high school students to build relationships, explore faith, and engage in meaningful conversation. These gatherings emphasized connection, fun, scripture, and honest and honest discussion.

Each Sunday, children (ages 4K-5th grade) were invited to gather for Godly Play story and reflection, where story, wonder, and sacred listening guided our time together. These circles provided a steady foundation for spiritual formation, allowing children to encounter spirituality and reflect in a developmentally appropriate and creative way.

Tools/Space

The Playground was updated, weekly children's service bulletins started and resources for community during coffee reception implemented. Spencer and Leighton's shared office was remodeled and the Youth Room was reconstructed. Love and attention when into reorganizing the ministry closets, shelves and space. Social media was started back for children and youth ministry as well as weekly ministry emails and Grace Notes additions.

Events/Highlights

This ministry season was marked by vibrant parish-wide moments that invited children, youth, and families into worship, service, and celebration together:

- **October 5** – *Blessing of the Animals & St. Francis Celebration*
- **October 22** – *Parish Dinner & Chili Cookoff*
- **November 2** – *All Saints Day Celebration*
- **November 23** – *Intergenerational Parish-Giving Potluck Lunch*
- **November 30** – *Advent Wreath Making*
- **December 7** – *Confirmation and the Bishop Visit (4 youth confirmed!)*
- **December 24** – *Christmas Eve Nativity Pageant & 5PM Service*
- **January 11** – *Epiphany Pageant and Celebration*

These gatherings offered meaningful opportunities for children and youth to participate fully in the life of the church—through worship leadership, storytelling, art, music, service, and shared meals.

Looking Ahead

The early months of this ministry have laid a strong foundation rooted in relationship, consistency, and joy. The integration of children and youth into the wider parish life continues to be a priority, with a focus on nurturing faith that is curious, compassionate, and connected.

It has been an honor to begin this journey at Christ Church, and I am deeply grateful for the trust, partnership, and openness of this community as we continue growing together.

With gratitude,
Leighton
Children & Youth Ministry / Lay Chaplain

CCDS 2025 Chaplain Annual Report

I began serving as Lay Chaplain at Christ Church Day School on September 7, 2025, joining the community at the start of a rich and meaningful first trimester. This season focused on building trust, establishing spiritual rhythms, and walking with students through themes of belonging, remembrance, gratitude, and preparation for Advent.

First Trimester: September-November

Lower School (JK–Grade 3)

Our Kindergarten through Third Grade students engaged primarily with the Godly Play curriculum, beginning the year with parables and enrichment stories that invited deep wondering and reflection. Students recorded personal responses in their individual reflection books, *My Stories This Year*, fostering early spiritual self-expression.

During October, these grades explored themes of death, dying, and remembering in age-appropriate ways. Through children's literature such as *Waterbugs and Dragonflies* and *The Invisible String*, candle reflections, music, and art, students were gently guided to reflect on love, loss, and connection. New Godly Play stories—*All Souls* and *The Communion of Saints*—helped frame these conversations within the Christian story, and students contributed to our Dia de los Muertos chapel through artwork and remembrance frames.

The trimester concluded with stories of hope, gratitude, and preparation, including Godly Play narratives such as *Exile and Return* and *The Circle of the Church Year*. Students also participated in preparations for a school-wide gratitude chapel and the joyful anticipation of Advent and Christmas.

Upper Elementary (Grades 4–5)

Fourth and Fifth Grade students began the year studying Parables of Belonging using *The Whirl Bible*, learning how to locate scripture, understand its context, and reflect on Jesus' teachings. Students were introduced to Lectio Divina and spiritual journaling, then creatively expressed their learning by writing original parables, illustrating them as comic art, and performing them as skits in Community Chapel.

In October, these grades explored themes of grief and remembrance through meditative art, reflective discussions, and Godly Play stories focused on All Souls and the Communion of Saints. Students also created memorial frames and altars for Dia de los Muertos.

The trimester closed with a strong emphasis on gratitude. Fourth Grade helped plan and lead a school-wide chapel, *The Table of Gratitude*, while Fifth Grade designed and led a chapel for their school camp, centered on togetherness through prayer, music, labyrinth meditation, and candle-making. Upon returning, Fifth Grade joined the broader community in reflecting on gratitude as a spiritual practice.

Middle School (Grades 6–8)

Middle School students met together this trimester to study The Beatitudes, exploring how Jesus' blessings offer hope and align with CCDS virtues. Students reflected, discussed, and shared insights through chapel presentations and lived these teachings through service projects, including outreach note-writing, participation in the Thanksgiving Drive, and service at Recovery Lunch.

During October, Middle School students focused on mourning and Christian hope, engaging with *The Book of Common Prayer*, candlelit reflections, and Godly Play stories on All Souls and the Communion of Saints. The trimester concluded with meditation practices around gratitude and leadership roles in *The Table of Gratitude* chapel.

Advent Season

During Advent, Grades 4–8 participated in the Diocese-wide curriculum Walking with Mary, engaging scripture, art, music, and discussion centered on the Annunciation, the Magnificat, and the Nativity. Kindergarten through Grade 3 prepared through Godly Play stories of Advent, the Holy Family, and Mary, Mother of Jesus, with space for wonder and hope.

Advent chapel practices were deeply student-led:

Second Grade processed Nativity figures, Third Grade prayed and lit the Advent wreath, Fourth Grade guided prayers for the December virtue of patience, and JK/SK students prepared and presented a meaningful Christmas Pageant at Closing Chapel. Together, these moments shaped a reflective, joyful, and communal journey toward Christmas.

Role

2 chapels a week, 1 sermon a week, 8 spiritual Nurture classes a week and 1 chaplain circle. presences on campus Tuesday-Thursday for teachers/staff/students, monthly update letters to parents, weekly meeting with Head of School

It has been an honor to walk alongside CCDS students, faculty, and families during my time at CCDS so far. I am grateful for the openness, curiosity, and reverence students bring to their spiritual lives and look forward to continuing this work together.

Leighton Jones
Lay Chaplain, Christ Church Day School

COFFEE: Phil Hunsaker

Activities: The coffee service team has continued to provide an outstanding networking event for parishioners after both the 8:00am and 10am services. We have the desired balance of apple fritters and mixed donuts. We have established a method for our helper Bella to contact us when she is unable to set up the coffee service so that team members can come in early for the set up. We have lost a couple of members but others on the team have adjusted our schedules to cover all Sundays with two servers.

With Grace's guidance, we have been able to cut the costs of our coffee service significantly and expect to reduce costs even more with new coffee and donut providers.

Previous costs were approximately:

Coffee	\$375 p/year
Creamer	\$31 p/year
Donuts	\$2,912 p/year

Other supplies (tea, sugar, sugar substitute, cups, napkins, etc.) \$0: We have been using leftover supplies from events. When we have to pay, it could cost \$200-\$300 per year.

Sincerely,
Phil Hunsaker
Chair, Coffee Ministry

COMMUNICATIONS: Christie Tugend

The ministry of communication exists to tell a congregation's story—ultimately, the story of how the Holy Spirit is moving in, among, and through its people. Every announcement, publication, post, or invitation is an opportunity to reflect who we are as a parish and how God is at work in our shared life. At its heart, effective communication is not just about sharing information, but about strengthening connection, building understanding, and inviting participation.

Strong communications always begin with clarity. We must first ask: What do we want to say? And what outcome do we hope to achieve by saying it? Knowing our purpose allows our message to be focused, meaningful, and impactful.

The year 2025 was one of significant change and uncertainty at Christ Church, making clear and timely communication more important than ever. Keeping the parish informed about current news, events, and transitions was imperative. To support this goal, we added a calendar to the church website so parishioners could easily check dates for worship services, meetings, and special events. We worked to make Grace Notes more readable and accessible, created a dedicated insert highlighting Advent offerings, and advertised Christmas services in local newspapers to welcome both longtime members and newcomers.

In addition, we increased our presence on social media to better engage parishioners and to help the wider community become more aware of the vibrant life of Christ Church. Looking ahead to 2026, we hope to continue improving in all of these areas as we move forward with energy, intention, and hope—spreading the good news of Christ Church full steam ahead.

If you have news you would like to share, ideas to offer, or suggestions for how the communications ministry can improve, we warmly invite you to let us know.

Sincerely,
Christie Tugend
Communications Ministry

DAUGHTERS OF THE KING: Cheryl Janus

The Daughters of the King Chapter Christ Church Coronado is involved in a reorganization period. The acting President is working with the Diocesan DOK Director to create meaningful outreach programs to increase membership and participation.

The Christ Church Chapter DOK and the Hospitality Committee are offering a Spring Tea to celebrate Mother's Day.

DISCERNMENT COMMITTEE: Tony Reina

Purpose

The Discernment Committee was formed to prayerfully assess (1) the current pastoral needs of our congregation and (2) decide whether to recommend a call to the **Rev. Michael B. Foley** as Rector. This was the first phase in a process outlined in the Church canons and recommended by The Rt. Reverend Dr. Susan Brown Snook, Bishop of San Diego. A second phase (i.e. a nationwide search for a new Rector) would only be necessary if (a) we decided not the call Father Michael or (b) Father Michael withdrew from the discernment process. Our work focused on congregational listening, review of qualifications and references, and structured interviews, culminating in a recommendation to the Vestry.

Committee Members

Tony Reina, Cheryl Janus, Christie Tugend, Patty Cowan, Paul Laedlein, and Gary Brown.

Timeline

- **July 2025:** Vestry calls the members of the Discernment Committee with charge.
- **August 2025:** Congregational Assessment Tool (CAT) survey launched; **123 responses**; findings presented **August 30** and summary shared.
- **September–October 2025:** Six (6) listening sessions held for parish, youth, and CCDS Board (coordinated with Head of School).
- **Fall 2025:** Vestry authorizes interviews of Church staff and Father Michael; committee requests updated CV and references for Father Michael.
- **November 3, 2025:** Committee conducts structured interview with Fr. Michael in Hinde Hall; **four references** contacted and interviewed via phone/email.
- **November 16, 2025:** Report presented to Vestry by Tony Reina and Cheryl Janus. Recommendation to Vestry was **to offer the Rector position to Father Michael**.

What We Did (Process and Steps)

1. **Gathered congregational input** via CAT survey and multiple listening sessions (including youth and Day School stakeholders).
2. **Identified themes and priorities** emerging from parish life and parish–school collaboration.
3. **Reviewed Fr. Michael’s background** (resume/CV) and assessed fit for Christ Church’s needs for 2025–2028.
4. **Conducted a structured interview** and **verified strengths/constraints through references**, focusing on pastoral leadership, preaching, administration, and collaboration.
5. **Developed a support-based recommendation** that pairs pastoral strengths with clear operational resourcing and accountability.

What We Heard (Key Themes)

What draws people to Christ Church: Anglican liturgy and beauty, music ministry, intergenerational community, fellowship, and service—along with consistency in worship and a welcoming posture.

Top priorities for vitality:

1. Youth & young families (relaunch youth group; visible welcome; parish–school CYF alignment)
 2. Outreach & invitation (revitalize projects and communications; community events)
 3. Preaching, music & communications (clear/relatable sermons; accessibility; recordings)
 4. Belonging pathways (year-round stewardship; newcomer integration; formation opportunities)
- CCDS integration:** Strong desire for regular Rector presence at CCDS chapels and key events, with collaboration alongside the Head of School and faculty/parents.

Lessons Learned

- **Listening improves clarity and trust** when it is structured, courteous, and summarized back to the congregation.
- **Leadership “fit” must include resourcing:** the parish’s priorities (especially CYF and communications/accessibility) require staffing and budget alignment—not goodwill alone.
- **Healthy operations matter for ministry outcomes:** administrative follow-through, calendaring, and communications are essential to sustaining momentum and reducing friction.
- **Shared expectations prevent drift:** parish–school alignment benefits from regular check-ins and explicit covenants.

Final Recommendation to Vestry

The Discernment Committee **recommended the Vestry proceed to call The Rev. Michael B. Foley as Rector** effective the **first quarter of 2026** (or a mutually agreed date), **contingent on negotiating a Letter of Agreement (LOA)** and budgeting supports that:

- strengthen **preaching and pastoral excellence**,
- prioritize **youth & family ministry**,
- provide **administrative/operations support** for detail management and communications, and
- establish a **regular performance review process** for accountability and shared goals.

Rationale: Fr. Michael has stabilized parish systems during transition, initiated healing and governance clarity (including with CCDS), and is consistently affirmed for pastoral care, preaching, collaborative leadership, and financial stewardship. With targeted supports—especially administrative and CYF resources—his gifts align with the parish’s clearly stated priorities.

Resolution: The recommendation above was made to the vestry. After further discernment, Fr. Foley decided to withdraw from consideration to be a candidate for the position of rector. This outcome was announced to the Church on January 11, 2026. Fr. Michael will continue as Priest-in-Charge of Christ Church Coronado until a rector is in place. This phase of the process will initiate an expansion of the Discernment Committee to engage the search process resulting in a slate of final applicants for the vestry’s selection process.

Signed,

Christ Episcopal Church Discernment Committee

Tony Reina • Cheryl Janus • Christie Tugend • Patty Cowan • Paul Laedlein • Gary Brown

MUSIC MINISTRY: Spencer Velky, Director of Music Ministry

I. Administrative Overview

This year marked my first full calendar year serving as Director of Music Ministry. Building on the foundational work begun last fall, the focus throughout 2025 has been on strengthening the choir’s musicianship, stabilizing rehearsal and liturgical practices, and continuing to shape a sustainable and spiritually fulfilling music program.

The year has been characterized by steady progress rather than rapid expansion, with careful attention given to repertoire choices, vocal development, and maintaining consistency within a small but dedicated ensemble.

II. Choir and Section Leads

The choir has an average weekly attendance of approximately 9 to 10 singers, including section leads. Despite its size, the choir demonstrates strong dedication, reliability, and a willingness to engage with increasingly challenging repertoire.

Over the course of the year, the ensemble has grown more comfortable with higher musical expectations. Rehearsals have become more efficient as singers' confidence in reading music and blending within their sections has improved. The overall sound of the choir has become more cohesive, and there is a noticeable increase in musical independence among the singers.

To further support the choir's musical growth, funding has been secured to hire two choral scholars (one soprano and one tenor). These scholars will strengthen the ensemble's core sound, provide support within their sections as well as congregational singing. I will be reaching out to Coronado High School to identify strong candidates. Once selected, the scholars will begin singing as soon as possible and will remain with the choir at least through the end of the current choir season.

III. Goals for the Music Department

Enhancing Choir Skills

Continued emphasis has been placed on improving the choir's overall musicianship. Key areas of focus include:

- Sight-reading: Ongoing improvement has led to more productive rehearsals and quicker preparation of new repertoire.
- Vocal blend and resonance: Increased attention to listening across sections has resulted in a more unified choral sound.
- Tone and diction: Clearer articulation and healthier vocal production remain central priorities.

These efforts have been largely successful and will continue to shape rehearsal planning moving forward.

Music Fund

Although the establishment of a dedicated music fund remains a goal, it has not yet been realized. This continues to be an important objective for the long-term sustainability and growth of the music ministry.

Fundraising Events

No fundraising events took place this year. While this goal remains unmet, it is still seen as a valuable opportunity for future development, both as a means of financial support and as a way to engage the wider community through music.

IV. Conclusion

Overall, this year represents a period of consolidation and steady growth for the music ministry. The choir's commitment, improved musicianship, and openness to growth are encouraging signs of a healthy and developing program. The addition of choral scholars marks an important step forward and will provide meaningful support to the ensemble in the coming months.

I am grateful for the continued support of the church and its leadership, and I look forward to building upon this year's progress as we continue to strengthen and enrich the music ministry.

Sincerely,
Spencer Velky
Director of Music Ministry

OFFICE REPORT: Office Manager, Grace Boulard

I am grateful for the continued trust placed in me to oversee Christ Church's daily operations, business administration and staff support. It is a privilege to serve in this role, and I appreciate the consistent cooperation and professionalism of both staff and parish leadership.

Over the past year, the importance of adaptability, collaboration, and deliberate process improvement has remained central to sustaining a stable and effective church operation. While meaningful organizational change requires time and careful implementation, I have been encouraged by the steady progress made through shared commitment and constructive engagement across the parish.

Several operational and communication improvements have been implemented during this period, including enhancements to the church's recently launched website. A new Youth tab was added to improve visibility, coordination, and parish-wide community outreach.

Efforts have continued to strengthen internal systems and workplace structure to promote greater efficiency, accountability, and cohesion. While opportunities for improvement remain, meaningful progress has been achieved.

Operational and Financial Oversight

Over the past several months, nonprofit agreements and service contracts have been renegotiated, adjusted, or discontinued where appropriate to reduce operating costs. By assuming additional accounting responsibilities in-house, the church has realized approximately \$26,000 in cost savings since my appointment. Additionally, a facility use fee was established for non-members utilizing church property for camps, meetings, events, and weddings, generating approximately \$4,600 in additional revenue.

Ongoing work includes pursuing partial or full property tax exemptions for church-owned assets, including the JK building and both parking lots. Efforts are also underway to secure a tax exemption for the rectory, which would result in an estimated \$2,500 savings for 2026, with the potential for retroactive reimbursement of up to four years (approximately \$10,000), subject to state approval.

Looking ahead, continued focus will be placed on operational sustainability, responsible stewardship, and collaborative planning. I am confident that, with the support of the Vestry and parish leadership, Christ Church will continue to build upon this progress in a measured and mission-aligned manner.

PARISH INVESTMENT: Bill Sandke

Highlights:

Total return on all accounts for the past year was \$429,119 with a net investment gain, including expenses, of 13.3%

Total portfolio value as of December 14, 2025, was \$3,559,590.00

Annual net of contributions/withdrawals for 2025 was positive \$249,000 meaning any withdrawals came from annual portfolio investment gains and not our corpus.

For 2026 the Wealth Enhancement team has advised us that based upon current allocation and market outlook, our manager expects a return in the range of 4-6% with an upside potential near 9%. The downside risk potential is calculated as negative 3-4%. As always, market conditions fluctuate and these are estimates.

Background:

The Parish investments were moved in February of 2024 to the Coronado investment management firm of Wealth Enhancement. Founded by Dan Gensler, the firm has proved to be responsive and professional as well as successful in their approach to our investments. Moreover, the previous Parish Investment Board has been dissolved, and our current approach has been for a vestry member to work directly with an outside professional firm to manage our parish resources reporting regularly to the Vestry. Bill Sandke has served that role since 2023 and will continue through 2026.

PARISH LIFE: Connie Lawthers

The Parish Life Committee is small group passionately dedicated to the ancient idea that providing and sharing food together is to share our faith, love, joy and humanity. Our activities include coordinating our wonderful Parish Potlucks, Summer Mixer happy hours, Community dinners, and furnishing food for Receptions after special events. Coming soon will be Newcomers' luncheons and a DOK Afternoon Tea.

And, of course, we also provide behind-the-scenes services such as laundering table linens and towels, maintaining "Setups" supplies, providing decorations, and setup and cleanup for all these events. It's a lot of fun - and all for the really low cost to the parish of only \$3500/year! To join us, please contact Connie Lawthers at 619-410-3798.

PEACE AND JUSTICE COMMITTEE: Gary Brown

The P&J Committee decided to focus on immigrant and refugee rights and protections.

Activities included:

- Home meetings - worked with the San Diego Organizing project to host home meetings that were small group gatherings to encourage people to express their feelings about political events and, if participants wanted, to set goals for corrective measures.
- Rallies - participated in five rallies; two were focused on preservation of constitutional government and three were focused on honoring migrants. We also marched in the Pride Parade.
- Socially Responsible Investments - Encouraged the vestry to engage in socially responsible investments and found that they were already studying the matter.
- Information to migrants - We with many other organizations distributed the "red cards" informing migrants of their rights.

- Forums: one was to learn about the personal Chicano heritage and achievements of a parishioner's husband. Robert Vivar, Immigration Mission for the SD Diocese held another to discuss services to immigrants.
- Worked with Our Lady of Guadalupe Church and SDOP on the Faithful Accompaniment in Trust & Hope, (FAITH), program that provided moral and prayerful support for migrants at their federal court hearings, mandated appearances at ICE, and at the Intensive Supervision Appearance Program where immigrants were shackled with monitoring devices.
- Currently working with Robert Vivar to revive the San Diego Diocese efforts to support immigrants

Financial Information:

- Received a \$2,500 anonymous donation.
- Paid an honorarium of \$500 to the producer of "A Case for Love."
- Membership dues of \$2,500 to the San Diego Organizing Project

PLANNED GIVING: Betty LeMoyne, Glover Ferguson, Russ McKee and Bill Cook

The Planned Giving Committee has worked to provide information to Parishioners regarding options for including Christ Church in their estate planning. A dinner was held in the church courtyard on October 2, 2025 to thank the Hinde Society members for including Christ Church in their estate plans. New church badges were distributed to Hinde Society members in Fall 2025 to highlight their membership in the Hinde Society. Two new members were added to the Hinde Society in 2025, Paul and Karen Laedlein.

PROPERTY: John Sturges

2025 was a busy year for the property committee-so pretty typical! Major tasks included:

- Significant rectory landscaping work, repainting (interior and exterior), and wood repair.
- Replacement of HVAC units for Head of School and Hinde Hall
- Repair of damaged and infested wood around the campus
- Major tree trimming
- Repair of JK stairwell and installation of artificial turf in the front
- Power wash of church roof to remove mold and dirt
- Purchase of carpet cleaner and new portable vacuums to better allow our cleaning team to address dirty and stained carpets. This was previously a high cost item for us, and was only done once per year when school was out for the summer. Having our own cleaning machines makes us much more efficient and effective.
- Replace defective solar power inverter (warranty part).
- Troubleshoot and repaired leaking toilets at CCDS. Toilet leaks were accountable for substantial water loss.

The above is in addition to the spectacular routine work that our facilities manager, Javier Gomez, provides on a daily basis. Cleaning, event set up, CCDS support, church Christmas wreath mounting, and so much more is part of his contribution to our church life. He is truly a gift to our parish, and his unending can do spirit and tireless attitude makes so many of our functions, and daily events possible and seamless.

We are excited to announce we have hired TreeLife to help optimize our precious landscaping and tree. They have developed a program for us that will involve multiple treatments over 2026, all designed to allow all of our plants and trees to flourish.

2025 Financials: The church expended \$29,732 in grounds, repairs and upkeep. Facility Reserve expenditures (facility reserve is supported by both CCDS and the congregation, and is used for major, or unplanned projects and large, expensive appliances and systems) amounted to an additional \$57,527. Javier's work is supported by two part time custodians. Personnel expense is split with the school.

2026 Budget: The church budget for grounds, repairs, and upkeep for 2026 is \$36,241. The increase is largely due to the aforementioned tree and landscaping work. Facility reserve projects that have been approved by vestry total \$51,480.

SERVICE MINISTRY: Co-chairs: Karen Laedlein and Lea Holt

As we reflect on this past year, we are filled with gratitude for the many ways our Service Ministry has flourished!

We give thanks to God for the abundant blessings He has entrusted to us. Our dedication and faithful service have been a vital part of every outreach effort. Together—with the generous support of our church family—we continue to make a meaningful impact in our community and beyond.

Here are just a few ways our efforts have made a difference . . .

LITTLE FREE PANTRY & ST. MARK'S FOOD PANTRY

Through our ongoing food drives, we've provided nourishment to those facing food insecurity—reminding them they are seen, loved, and not alone.

LENTEN DRIVE

We raised funds to provide camping supplies for children from RefugeeNet to attend Camp Stevens. This experience gave them more than just time outdoors—it helped build confidence, forge new friendships, and encounter the love of God in a meaningful way.

VIDA JOVEN

Through our fundraising effort and our fun-filled fiesta, we were able to sponsor meals for six orphanages in Mexico—bringing hope, nourishment and love to many children in need.

BACKPACK DRIVE

We equipped children with essential school supplies, empowering them to begin the school year feeling prepared, confident, and supported.

THANKSGIVING FOOD DRIVE

In partnership with local organizations, we provided holiday meals to families in need. This outreach not only filled tables, but also hearts— with joy, warmth, and a shared spirit of gratitude.

- 170 bags of food w/fresh produce & a chicken given to St Mark's
- 30 bags of food w/\$20 grocery gift cards given to St. Alban's
- 6 bags of food given to Silver Strands and CCDS families w/\$20 grocery gift cards

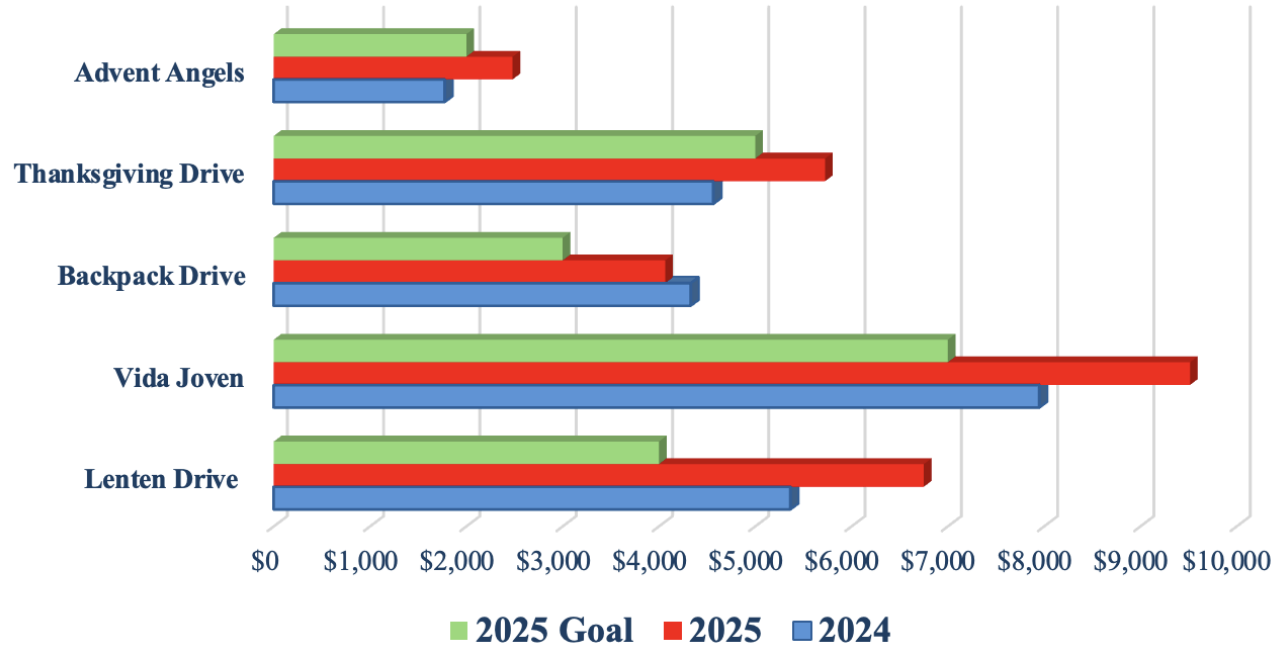

ADVENT ANGELS

Our efforts helped children experience the wonder of the Christmas season. With each toy and gift given, we shared a powerful message: **you are cherished, you are loved, and you are not forgotten.**

Christmas toys for 215 preschoolers were donated to the Episcopal Community Services Head Start program.

Projects	\$ Raised in 2025
Lenten Drive	6,750
Vida Joven	9,515
Backpack Drive	4,065
Thanksgiving Drive	5,725
Advent Angels	2,480
	\$28,535

2025 Donations
Compared to 2024 Donations and 2025 Goals

STEWARDSHIP: Suzanne Warren

Dear Fellow Parishioners,

Our 2026 pledge campaign, *Tell Out My Soul*, reflects the heart of our church. I give thanks for each of you who makes up our church family. Together, we seek and serve Christ in all persons, making a meaningful difference in our community and beyond.

Thank you to everyone who pledged. Your generosity allows our church to plan responsibly and faithfully for the year ahead.

I am grateful to share that we have 156 pledging members for 2026, including 21 new pledging members (a 13% increase from last year), and that 36 households increased their pledges (a 23% increase). Total pledges for 2026 amount to \$367,736.85. Additional financial details may be found in the Treasurer's report.

My sincere thanks to Glover Ferguson for his excellent reporting on pledges, to those who shared their stories during this year's stewardship campaign, and the Vestry (especially Linda Benning and Fr. Michael).

With gratitude,
Suzanne Warren, Stewardship Chair

THRIFT SHOP: Kathy Ferguson

The Thrift Shop sells a wide variety of items: clothing (men, women & children), shoes, books, games, puzzles, greeting cards and household items at very reasonable prices. In addition to that, it gives items to organizations that need them. For instance, glasses to the Lions Club, towels to PAWS, sleeping bags and men's slacks to St. Marks, etc.

In 2025 we made monetary gifts totaling \$90,000 to organizations outside the church such as RefugeeNet, the San Diego Food Bank, and Vida Joven. In addition to that, we supported funding for our new Chaplain and youth programs.

There are approximately 44 unpaid volunteers (38 regular volunteers and 6 occasional volunteers, who only spend part of the year in Coronado).

Kathy Ferguson

WELCOME MINISTRY: Bob Ketts, Chair

The Welcome Table continues to provide information on the Episcopal Church, the specific services and ministries of Christ Church Coronado and an opportunity to request a Christ Church name tag. Nancy Funk has graciously taken the role of scheduling ministry members who attend the table before and after each 10:00 service. We are very grateful to the several families and individuals who welcome and help orient our visitors. We anticipate having a newcomer's luncheon in the Spring.

We are a friendly, welcoming church but there is room for improvement. Every member of our parish family is also a member of the Welcome Ministry. We can all do better by extending ourselves to welcome newcomers to the church, introducing them to others and helping them connect with the many opportunities for service offered by Christ Church.

Welcome Table Ministry: 2026

A small but dedicated group sets up and sits at the Welcome Table each week as the first face new folk see when they enter the courtyard! Thank you to Mary Bee, Katy Bennett, Patty Cowan, Pat Escher, Nancy Funk, Anna Lopez, and Robette McLellan for greeting newcomers each week. If you would like to join this group, please let Nancy Funk know!

Christ Church Day School Annual Ministry Report: Keith Fargo

Christ Church Day School continues to thrive as a joyful and abundant ministry of the parish, marked by growth, innovation, and deep community connection. The 2025–2026 school year brings an exciting milestone with the addition of eighth grade, completing our middle school program and expanding opportunities for leadership, academic challenge, and spiritual formation for our students.

Enrollment remains strong, with a total of 128 students currently enrolled and additional students continuing to join us throughout the year. This steady growth reflects both the strength of our program and the trust placed in us by families seeking a nurturing, inclusive, Episcopal learning environment.

Our middle school offerings have expanded with the introduction of new electives designed to spark curiosity, creativity, and real-world skills. These courses complement a rigorous core curriculum while allowing students to explore their interests more deeply. We are also grateful to welcome four outstanding new faculty members this year—Sophia Nickles, Mackenze Tezak, Leighton Jones, and Fiona Diskin—whose expertise, enthusiasm, and commitment to students have already enriched our classrooms and community.

Christ Church Day School remains fiscally responsible, operating with a balanced budget that reflects thoughtful stewardship and long-term sustainability. Our income/expense report for School Year 2024-2025 shows we were to achieve a balance budget with a small draw from our investment reserves. We project a balance for school Year 2025-2026 without having to rely on our investment funds. The school's financial report reflects all auditor required school adjustments from the Church's 2024 Annual Audit .

Guided by a theme of abundance, we celebrate the many blessings that surround us: dedicated faculty and staff, wonderful students, supportive families, and a parish partnership that strengthens our mission. Together, we are a flourishing school community grounded in faith, gratitude, and joy.
